# Shout Victory [Numbers, 108 bpm, 4/4]

**[FWA] by John Dreher, Jason Vergara, Charlie Hernandez**

## V1, PC, C, V2, PC, C, B×2, C

**Verse 1**

$6^m$     1/3
Why would I ever have to worry
4                 $2^m$     $6^m$       1/3         4
   You never never let me down, down, down
              $2^m$        $6^m$  1/3
I hear You calling me to win
4           $2^m$              $6^m$     1/3      4        $2^m$
   And I'm empowered by the sound, sound, sound

**Pre-Chorus**

$4^2$              $2^{m11}$
When armies surround me
$3^m$          6
   I may look like nothing at all
4              $2^m$
   But if You are for me
                 $3^m$
Who can stand against me
              $6^{sus}$       6
You're making my giants look small

**Chorus**

       $6^m$      1/3        4
That's why we      shout
$2^m$              $6^m$   1/3      4
   We know without a   doubt
              $2^m$
We have the victory
$6^m$        1/3       4
With You    now
$2^m$                  $6^m$     1/3             4
   We're watching walls come      down
              $2^m$
We have the victory

**Verse 2**

$6^m$      1/3
Why would I ever have to worry
4             $2^m$              6              1/3        4
   When I am safe within Your hands, hands, hands
           $2^m$        $6^m$  1/3
So I'm not giving into fear
4              $2^m$            $6^m$   1/3     4          $2^m$
   With You the enemy won't stand a    chance (no chance)

**Pre-Chorus**

**Chorus**

**Instrumental**

|$2^{m11}$ / / / |$5^7$ / / / |$1^{maj7}$ / / / |$4^6$ / / / |

**Bridge (2X)**

$2^{m11}$                                  $5^7$
The fight doesn't lead me to fear
                        $1^{maj7}$
When You hold me near
                            $4^6$
There's nothing that I can't face
            $7^{dim7}$
The freedom You give me
    $3^{7(\#9,\#5)}$                    $6^{m9}$
Is reason enough to believe
                            **(6)**
You will overcome

Chorus
