Verse 1

When I first met You
I didn't know You heard my cry for help
Your whisper told me I'm not by myself
No one to run to
I didn't know You had me on Your mind
But You showed up, and You changed my whole life

Pre-Chorus

You told me I'm a child of the King
Gave me new eyes so I could finally see
Who You've been and will be

Chorus

God, my Comforter
The safest Place for me to be
God, my Savior and
The Prince of Peace, a Friend to me
God Almighty One
Redeemer of the broken things
I rest in Your hands and trust in Your plan
Cause You're the I Am
The Great I Am

Verse 2

The more I know You
The more Your love erases all my doubt
No matter what, God, Your love won't run out
The One I run to
You're refuge from the pressures of this life
The joy I need in the darkest of nights

Pre-Chorus

You told me I'm a child of the King
Gave me new eyes so I could finally see
Who You've been and will be

Chorus

God, my Comforter
The safest Place for me to be
God, my Savior and
The Prince of Peace, a Friend to me
God Almighty One
Redeemer of the broken things
I rest in Your hands and trust in Your plan
Cause You're the I Am
The Great I Am

Bridge 1

I don't ever wanna know life without You
You stretched out Your hand
You gave me a chance
From day one You called me
Forgetting my past and not looking back

Bridge 2

So I can't live without You
I don't wanna dance with my second chance
From day one You called me
I'm not looking back
