Verse 1

I can't be silent
Even though I haven't found the words to say
My shout won't be enough
I won't be quiet
Your joy's a river that I can't contain
You fill me up to overflowing

Pre-Chorus 1

Your presence all around me
I feel Your grace abounding

Chorus

I'm dancing to the rhythm of Your heart
Lost in the moment
Won't let it go to waste
Caught up in the wonder of Your love
I could stay here forever
Don't wanna get away
