[FWA]

## Intro

| B \ B/D# \ | E \ \ \ |

## Verse 1

**B**                    **B/D#**                    **E**  
We set our hearts and our minds on You  
**B**                    **B/D#**                    **E**  
We place our hope in the palm of Your hands  
**G#m**                    **F#**                    **E**  
There is a calm in the warm embrace  
                  **C#m**                    **F#**  
Of Your unfailing love

## Verse 2

**B**                    **B/D#**    **E**  
We lay each burden at Your feet  
                  **B/D#**                    **E**  
Lord we draw near as we worship freely  
**G#m**    **F#**                    **E**  
As You delight in the gifts we bring  
                  **C#m**                    **F#**  
Every heart is filled

## Chorus 1

**E**  
Here in Your presence  
                  **Bsus**    **B**  
Your peace is unfailing  
**G#m**                    **F#**  
  This beautiful gift  
                  **E**  
The world couldn't give  
Comes only from You

## Verse 3

**B**                    **B/D#**                    **E**  
Greater than what we could understand  
**B**                    **B/D#**                    **E**  
Higher than storm waves have ever risen  
**G#m**                    **F#**                    **E**  
You calm the seas with Your mighty hand  
                  **C#m**                    **F#**  
And the sound of Your voice

## Verse 1

**B**                    **B/D#**                    **E**  
We set our hearts and our minds on You  
**B**                    **B/D#**                    **E**  
We place our hope in the palm of Your hands  
**G#m**                    **F#**                    **E**  
There is a calm in the warm embrace
