Verse 1

I've got a reason
I've got a story
I'm gonna tell the world
All You've done for me

Verse 2

I've got a new song
I've got a new praise
From every mountaintop
I'll sing of Your ways

Pre-Chorus

Join in
Join in the sound of
His people crying out
Lift up
Lift up a praise
To the Savior
Shout it loud

Chorus

Sing unto the Lord forever
The Mighty One
The Mighty One who saves
Sing great is the Lord forever
The name above
The name above all names

Bridge

Won't hold back what You want
God, here's my song
And nothing less
You're worthy of my all
God You deserve
All my praise
