Verse

We're expectant 'cause You've given us a promise
Your Spirit's always with us
We want more

We're here waiting, lifting worship to the heavens
Our only focus is Your presence
We want more

Pre-Chorus

Spirit, come
Come with power
We are longing to be changed by You
We want more

Overflow
With your power
We are ready to be used by You
We want more

Chorus

Holy Spirit, fill us now
The sound of heaven, roaring loud
Let your glory come and fill this house
On your people, pour it out
Holy fire rest on us now
Let your glory come and fill this house
