VERSE 1

From the first moment
When my eyes opened
You picked me up
Showed me Love
That's when I noticed
Your grace is on purpose
You think that I'm worth it
You chose me
Now I'm free
Your mercy is perfect

PRE-CHORUS 1

Every day I can see
That it's following me
I have tasted and seen
Your goodness

CHORUS

Hallelujah I cry
All the days of my life
I can't keep it inside
You're good to me
Through the lows and the highs
You've been right by my side
I don't have to think twice
You're good to me

VERSE 2

It's all around me
Love without boundary
It's so real
I can feel
There's no need to doubt it

PRE-CHORUS 1

Every day I can see
That it's following me
I have tasted and seen
Your goodness

PRE-CHORUS 2

Because you are my God
I will dwell in Your house
I could never deny
Your goodness
