Verse 1

Here at Your feet, I lay my worries
The load I've carried, I rest in You
I cast the burden on your shoulders
There's nothing better than trusting You

Pre-Chorus

So I will abide in the shadow of your love
For You are the hope that can hold my heart

Chorus 1

All who are weary and crushed by the weight
Can come to the Lifter and trade all their shame
For Your yoke is easy, Your burden is light
And I will find rest in Your love every time

Verse 2

When days are hard and times are trying
I will remember your ways are good
You are the God of my tomorrow
So I'm just gonna let go and lean on You

Chorus 1

All who are weary and crushed by the weight
Can come to the Lifter and trade all their shame
For Your yoke is easy, Your burden is light
And I will find rest in Your love every time

Chorus 2

No matter how heavy the load starts to feel
Lord, what You require, I'm able to bear
For Your yoke is easy, Your burden is light
And I will find rest in Your love every time

Bridge x2

You take the heavy burden
You set the captive free
You lift the weight off of my soul
That's what you do, Lord

The joy of my salvation
The source of all my peace
No other love like this I know
That's who you are, Lord

Chorus 1

All who are weary and crushed by the weight
Can come to the Lifter and trade all their shame
For Your yoke is easy, Your burden is light
And I will find rest in Your love every time
